

STATUTORY DECLARATION Registration of Fittings

I, Frederik von Sterneck, CEO of Nordic Flanges AB

located at Kavelvägen 17, 894 35 SJÄLEVAD, SWEDEN

do solemnly declare that the fittings listed hereunder, which are subject to the Safety Codes Act (check one)

- comply with the requirements of EN1092-1, ANSI/ ASME B 16.5M which specifies the dimensions, materials of construction, pressure/temperature ratings and identification marking of the fittings, or are not covered by the provisions of a recognized North American standard and are therefore manufactured to comply with

I further declare that the manufacture of these fittings is controlled by a quality control program which has been verified by the following authority, SO 9001:2015, DNV GL as being suitable for the manufacture of these fittings to the stated standard.

Forged and welded flanges, see details in attached catalogue

In support of this application, the following information, calculations and/or test data are attached: Products are manufactured according to requirements, calculations and testdata in standards, see all certifications and approvals on link: http://nordicflanges.com/certifications-approvals/?lang=en and attached

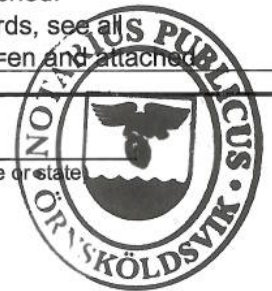

DECLARED before me at Örnsköldsvik in the of

this thuesday day of May, 2019

Jonas Vedin Notarius Publicus (print) (a Commissioner of Oaths or Notary Public)

(sign) (a Commissioner of Oaths or Notary Public)

(signature of applicant)

For ABSA Office Use Only:

NORDIC FLANGES AB
KAVELVAGEN 17
SJALEVAD, 894 35

The design submission, tracking number 2019-04167, originally received on June 10, 2019 was surveyed and accepted for registration as follows:

CRN : 0B19776.2 **Accepted on:** June 26, 2019
Reg Type: NEW DESIGN **Expiry Date:** June 26, 2029
Drawing No. : NORDIC FLANGES CATALOGUE PAGES 74 TO 113 (2018) As Noted
Fitting type: ASME B16.5 FLANGES

The registration is conditional on your compliance with the following notes:

The scope of this registration is only for flanges built, designed, fabricated, and tested in compliance with ASME B16.5 2017. Flanges built to EN1092.1 are not part of this registration. A note has been added to the AB-41 form to indicate this.

The scope of this registration only includes pages 74 to 113 of the provided catalogue.

This submission has been accepted for registration based on the understanding that all flanges will be built in strict accordance with ASME B16.5 with respect to types, sizes, materials, dimensions, pressure-temperature ratings, testing, and marking.

The entry for the 3", 1500# socket weld flange has been crossed off of catalogue page 98 as B16.5 is limited to 2.5" in that configuration.

This registration is valid only for fittings fabricated at the location(s) covered by the QC certificate attached to the accepted AB-41 Statutory Declaration form.

This registration is valid only until the indicated expiry date and only if the Manufacturer maintains a valid quality management system approved by an acceptable third-party agency until that date. Should the approval of the quality management system lapse before the expiry date indicated above, this registration shall become void.

An invoice covering survey and registration fees will be forwarded from our Revenue Accounts.

If you have any question don't hesitate to contact me by phone at (780) 433-0281 ext 3344 or fax (780) 437-7787 or e-mail Rudolf@absa.ca.

Sincerely,

RUDOLF, KEITH, P. Eng.
